DECLARATION:

On June 27th 2018, the ECHA, European Chemicals Agency, communicated the new “candidates list” of the Substances of Very High Concern (SVHC), added to those of the previous Candidate list.

With this declaration, we hereby confirm that all the yarns supplied don't contain Substances of Very High Concern (SVHC) in concentration higher than 0.1%, that is the admitted tolerance limit.

We trust that this information will be sufficient for your needs. Please feel free to contact us if you should need further information.
